

Affordable, educational fun!

Dr. Cate's Flute Camp

July 18-22, 2011
Grades 7-10, 9-5 daily
At Oswego High School

You will enjoy a fun week of learning about the flute by playing in small ensembles, flute choir, solos in class, and private lessons. There are technique classes, a guest who teaches us about a flute from another part of the world, a pool and pizza party, special concerts, and most of all, FUN! Our campers come back year after year until they age out of the camp and then want to help as counselors.

Now in our twelfth year, our campers do better in their school bands, have gone on to participate in IMEA District and State Festivals, earned degrees in music and music education, gotten jobs as band directors and orchestral musicians. Dr. Cate Hummel has been teaching the flute for 30 years and has a doctorate in flute performance from the Manhattan School of Music.
